

PortSide's Remodeling Project of the Month

August 2017 - Main Living Area Remodel

- Removed fireplace and chimney in the living room
- Installed additional windows in living room and dining room
- New custom kitchen cabinetry
- Added angled walk-in pantry and L-shaped island with cooktop
- Removed wall in master bedroom for additional space in bathroom and walk-in closet
- Redesigned the master bathroom to include dual sinks, custom tiled shower and tile flooring
- New fixtures including a pedestal sink in half bath
- Granite countertops in kitchen and bathrooms
- Hardwood flooring in the main living area
