PortSide's Remodeling Project of the Month

August 2018 - Complete Home Remodel

- Replaced the first-floor windows and exterior door
- Reconfigured the kitchen and dining room space; removing walls to provide a more open concept
- Added custom cabinetry with granite countertops in kitchen and bathrooms
- Kitchen island with extended snack counter
- Redesigned master bathroom adding custom-tiled shower, and new fixtures
- Added walk-in closet to master bedroom
- Installed insulation in attic and exterior walls
- Removed paneling and installed sheetrock and plaster to main areas of the first floor
- All new flooring throughout the home
